1.Movie Booking App

Output:

Home Page:

Ticket Booking Page:

The screenshot shows the ticket booking page of the 'Coolie' movie booking app. At the top, there is a dark blue header with three orange buttons: 'MiniProject', 'Home', and 'Privacy'. Below the header, the app's logo 'Coolie' is displayed in a glowing orange font, accompanied by a clapperboard icon. Underneath the logo, there is a title 'Book Ticket for Coolie' in a glowing orange font. Below the title, there is a form with the following fields: 'Name:' with a text input field, 'Gender:' with a dropdown menu showing '-- Select Gender --', 'Age (Optional, will be calculated from DOB if empty):' with a text input field, and 'Date of Birth:' with a date picker showing 'dd-mm-yyyy'. At the bottom of the form, there is an orange button labeled 'Book Ticket'.
